RE: Amendments Filed in Response to July 1, 2015 Request for  
Additional Information ("RFAI") to Cotton for Senate 2015 April Quarterly  
Report, C000499988

Dear Ms. Beaufort:

This is to memorialize the conversation with you and the attorney for Cotton for Senate ("the Committee") regarding the above-referenced RFAI and the steps the Committee has taken to resolve all outstanding issues, and to ensure that all reports are accurate, including those previously filed and those reports filed this week and in the future.

Your July 1, 2015 RFAI inquired about an entry in the Committee's April 2015 Quarterly Report that reflected \$141,826.73 in 'unitemized receipts'. As you have been advised by our attorney and as was reflected in our response to the RFAI filed on August 8, 2015, the current compliance team was not responsible for preparing the April 2015 Quarterly Report, nor any of the reports filed by the Committee prior to April 15, 2015.

The undersigned became treasurer on April 22, 2015. It had been our intent to assume the treasurer's responsibilities for the Committee from and after the filing of the Committee's 2015 April Quarterly Report.

However, upon receipt of the RFAI, it became apparent that it would be necessary to conduct an internal audit of the Committee's accounting and reporting, encompassing the election cycle to date. We have now completed this review and have identified the errors that resulted in a large (but incorrect) report of unitemized receipts.

The errors, which have been corrected in the amendments filed today, relate to disbursements that were incorrectly double-reported, certain fundraising costs that were erroneously reported, some receipts that were previously unknown and not reported, and a vendor refund that was reported in the wrong period. Amended reports, beginning with the 2014 April Quarterly through the 2015 July Quarterly, have been prepared and filed with the Secretary of the Senate today.
